A brief history about Our Club

CCD is the one of fewest Deaf Clubs
left in the United States of America.

Many Deaf Immigrants and visitors tend to look for
Deaf Club first because they know **Deaf Clubs** will
always welcome them and meet new friends. They
feel welcome like home and no communication barrier.

Please help us to keep **CCD STRONG**.

Show your **LOYAL** and serve your volunteering time.

Be Proud of **CCD** as it is in **CHICAGO!**
